++ Valid for broadcast between 0600 and 1800

Headline:
Dry with sunny spells, cloudier later.

Today:
A fine and dry start for most with sunny spells and variable cloud. However, becoming increasingly cloudy toward midday as areas of thicker cloud move eastward for a time this afternoon. Maximum temperature 23 deg C (73 deg F).

Tonight:
Any lingering patchy cloud should break to clear spells this evening. Remaining clear and dry overnight with a gentle southwesterly breeze. Minimum temperature 13 deg C (55 deg F).

Saturday:
A dry morning with sunny spells. Becoming rather cloudy through the afternoon and evening, perhaps with outbreaks of light rain later, these mainly in the west. Maximum temperature 24 deg C (75 deg F).

Outlook for Sunday to Tuesday:
Mostly unsettled with spells of rain or showers from Sunday to Tuesday, these perhaps persistent at times. Some sunny spells also possible. Low confidence in detail.
